**Memorial Day** - Monday, May 31st, our nation will be celebrating Memorial Day – the one special day of the year we set aside to honor those who died while serving in the military. Our freedom today has a great deal to do with how we have been protected by the service men and women who cared enough to fight for our safety, and were willing to sacrifice their own bodies to do so.

In Tamarac, we have a Veteran’s Park where dozens of our own Mainlands 1-2 residents have their names and service information etched on the glass towers so they can be honored forever. The park is located at the NW corner of Southgate Blvd and University Drive and this tribute to our service men and women is inspiring to all who take the time to look. The very first tower welcoming visitors has the smiling face of our very own veteran, Richard Allen, and that is an honor indeed for the Mainlands 1-2 community. Dave Rosendahl is on one of the first towers as well. If YOU are a veteran, or have a family member with a Tamarac connection, please take some time to apply to be on one of the future panels so we can be proud of you too. Application forms are available in the office or from the Tamarac Historical website. There are only 15 spaces left on the next tower to be displayed so please apply NOW. Mainlands 1-2 will pay tribute during our BBQ by displaying our American Flag and by the playing of traditional patriotic music. We hope you all will proudly fly the flag at home and say a silent thanks for all those who have served.

**4th of July** – Information on a Fourth of July event will be sent to you in early June.

**Monday Night Movies for June** – No movie May 31. Below are the movies to be shown in June. All movies are shown at 7 p.m. in the Clubhouse. Facemasks and social distancing. $1 donation for snack and drink.

**Hurricane Season** – June 1 is the beginning of hurricane season. We already had a named storm, Ada, that luckily did no damage to any land masses. Now is the time to be fully prepared. Are you? Have you:
Planned your evacuation route?
Prepared non perishable emergency supplies, enough for 3 days per person, including medications. And don’t forget supplies for your pet’s needs?
Taken an inventory of your personal property?
Reviewed your insurance policies, including flood insurance?
Taken steps to prepare your home?
Signed up for weather alerts?
Familiarized yourself with shelters (if you have pets, do the shelters take them as well) and evacuation routes?

**Going to the Office??** Although the office officially opens at 9, unless it is an emergency, please do not come to the office before 9:15 a.m. That way Pam can get the lights on, the computers humming and the messages off the answering machine. We appreciate your thoughtfulness in this.

**Permission to Send Important Documents by Email** – Please remember to return the form you received from Campbell Management Company asking your permission to send you important documents by E mail. The forms need to be returned by May 31st. If for any reason you did not get a form, please contact thenry@campbellproperty.com.

**No Public Gatherings Until the Fall** – in an abundance of caution, Mainlands 1-2 will not be starting large public gatherings until the Fall. This is to keep our residents safe. We still require masks and distancing in the Admin. Building and the Clubhouse.

**Highlighting our Restrictions –Screening** – Everyone who wants to live in Mainlands has to be screened before he/she can live here. This includes renters, and every person living in the home. Applicants need written approval of the Board, based on screening. The screening involves a background investigation, including a criminal background check and a credit history check as well as proof that at least one resident satisfies the age limitation restriction (is 55 or older) and confirmation that the applicant(s) agree to uphold and abide by the Constitution and Bylaws and Declaration of Restrictions.

**Mainlands All Stars** – The Mainland Allstars Steering Committee, made up of homeowners from Mainlands 1-5, is developing a survey so that we can gauge your interest in various activities. You will be receiving the survey sometime in June. The survey will ask you about your interest in participating in classes, events or activities and/or leading classes, events or activities this fall as the Mainland All Stars gear up for the coming season. Activities will be presented based on your interest. More info to come. Stay tuned.

**Cancer Screenings During the Pandemic** – Cancer screenings have dropped 90% during the pandemic. Since cancer screenings may find cancers at an early stage, when they are most treatable, it is vital that you make sure that you are screened for any cancer potential, now that the pandemic is abating. **COVID 19 updates** – For sites that give COVID vaccines, please go to FloridaDisaster.org/vaccine.

**Food Distribution Sites in Broward County.** To find out where all food distributions are being held, access www.feedingsouthflorida.org; www.facebook.com/adoptaboxfl, or Farm Share Distribution: www.farmshare.org.

**Funnies of the week** – Why does the stadium get hot after the game? Because all the fans leave.
--I just went to a very emotional wedding. Even the cake was in tiers.
--Clever words for clever people—ARBITRAITOR. A cook that leaves Arby’s to work at McDonalds.
--AVOIDABLE. What a bullfighter tries to do. HEROES. What a man in a boat does.

**The Blast** is sent to your email every Friday to keep Mainlands 1-2 homeowners aware of happenings in our community. If you know someone who does not have email, please share your Blast with them. Also available on our website at www.mymainlands1-2.org and on our bulletin boards.
